### Letter from our President

I wanted to include a few thoughts in this newsletter as I have seen this organization develop over all these years.

The first word is volunteer. Our organization needs volunteers. Our events are gaining more attention. To capitalize on events, we *need* more help. Our traditional cadre of volunteers is aging and otherwise being slowed down by various maladies. We need young, healthy and motivated volunteers.

The past year has seen many new, successful events, Tavern dinners, festivals and classes. All these events need helping hands.

Publick Tyme, WWII Day, Ag Days, Farmer's Fair and the rest of our events all need volunteers. If you can volunteer, do so.

Having said that let me further say that this year has seen many successes. We have made known to an ever-widening audience the remarkable place that is Dills Tavern and Plantation.

Both the Maple Shade Barn and Dills Tavern had more rentals this year than any other year in our organization's existence as many people realize the unique, yet friendly venues we offer.

I wish to thank everyone who has made 2016 a great year for NYCHAPS. With all who can lend a hand, 2017 can be better than ever.

Thank You,  
Larry Klase  
President - NYCHAPS

## **NYCHAPS Capital Campaign**

To date, we have received \$10,195 towards our goal of \$1,000,000. This goal will allow the organization to pay off the debt of the land behind Dills Tavern, gain access from Route 15 and add parking on the new parcel. It will also setup the organization to achieve the expansion goals and continue our mission of promoting and encouraging the study, collection and preservation of the historical heritage of Northern York County.

Thanks to **John & Emily Geschwindt** and **Marshall & Cathy Goldman** for their generous donations. Donations of all levels are both greatly appreciated and tax deductible.

The expansion of NYCHAPS and development of the Dills Tavern and Plantation would not be possible without your generosity and commitment to our shared goal of realizing this property's historic potential.

My name is \_\_\_\_\_ and I would love to contribute \$ \_\_\_\_\_ one time/  
monthly/ annually to help NYCHAPS grow!

Please mail to NYCHAPS at PO Box 340 Dillsburg, PA 17019. *Personal Checks welcome.*
