First Friday

Dill's Tavern and Plantation

Friday, January 6th (7:00 – 10:00pm) featuring Redemption Road

Friday, February 3rd (7:00 – 10:00pm) featuring Seasons

Spend a candle-lit evening at Dill's Tavern & Plantation enjoying our historical ambiance with live music and refreshments included with entry.

January brings a new act to the Tavern, Redemption Road. Redemption Road is an acoustic duo featuring Poppa Rick's edgy rock and blues guitar combined with the polished vocals of Jeremiah Herbert. Their songs deliver a genuine Americana music experience, with acoustic renditions that are stripped down and a style best described as classic rock with soul, combined with heartfelt country and catchy folk that is always 100% authentic.

February's performance brings Seasons to the Tavern as they pay homage to the rich tradition of Celtic and American folk music these siblings grew up around. The result is a constantly growing collection of original songs and tunes that are at the same time both fresh and familiar.

All guests must be 21 or older. BYOB. Admission is \$10 at the door.

Proposed amendment to the NYCHAPS By-laws

The below amendment will be voted on by the Board of Directors at the February 21st Board & Membership meeting. Per the by-laws, any member of the organization is welcome to attend this meeting and vote on the amendment below.

Amendment to Article V, Board of Directors

The following is a proposal modifying NYCHAPS' bylaws, and revising the language of Article V to reflect the substitution of one (1) of the elected Director's positions with one (1) of the Directors of the Dillsburg Farmers Market.

This proposal would give The DFM representation on the NYCHAPS Board, in a cooperative environment. The total number of NYCHAPS Directors would remain 11. This proposal is also contingent on the DFM acquiring their LLC and 501 3(c) statuses.

6. A Director representing the Dillsburg Farmer's Market shall take the place of one of the eleven (11) NYCHAPS Board of Directors positions. This representative shall be a member of, and appointed by, the Board of Directors of the DFM and serve a 3-year term, as per Article V,

Section 2. This representative shall also be a member of NYCHAPS.

Executive Directors Corner

Executive Director: Michael Lintal • 717-502-1440 • director@northernorkhistorical.org

Looking back over 2016, there are many things I am grateful for. We continued offering great events and hands-on educational experiences for school children. All while expanding our events calendar to feature new favorites like Oysterfest and the Honey & the Hog Festival. I am very fortunate to have such a dedicated group of volunteers to call on for any number things. Your commitment to this organization not only fuels my passion, and is infectious to newcomers visiting our properties for the first time.

Looking ahead, the 2017 looks even more impressive than the year we just finished. Thanks to Rich and Nancy Eichelberger's generous donation in 2016 and donation match in 2017, we can begin the process of developing the new parcel of land, moving our organization closer to our goal of long term sustainability for our organization. Finally, the partnership with the Dillsburg Farmer's Market has the opportunity to enrich our already robust offering of local Agriculture history, by showcasing those farmers who continue that work today.

Happy Holidays and see you around the properties next year!

-Mike
